

Hello, dear veteran car enthusiasts, with this flyer we invite you to our **BALTIC MEETING** at the border of the Southern part of the Baltic Sea. We are looking forward to every participant (with any veteran car make), but please understand, that British veteran cars are in the focus of our event. To the organizer (managing the **BIG CATS - Register** of the **JAGUAR ASSOCIATION GERMANY**), it is a special matter of concern, to welcome personally as many members of this register (and those who want to become). These members are also owners of JAGUAR S-Type, JAGUAR 420 and DAIMLER 420, who belong to the new named German „S-Type/420 & Big Cats -Register“.

Sponsors:

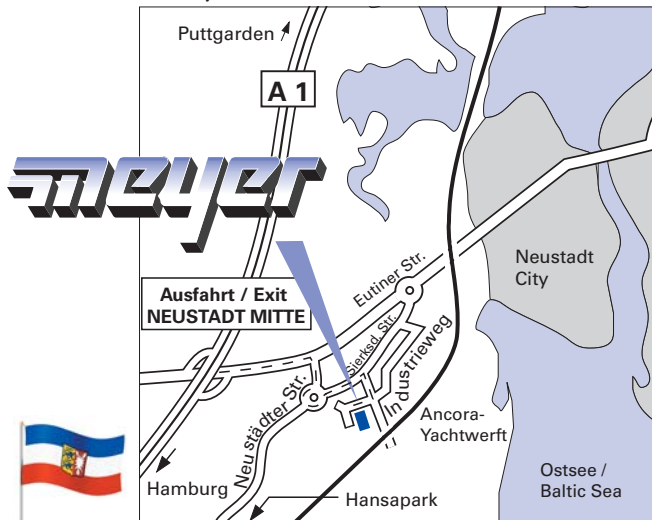

Between 10:00am and 6.00pm we (the veteran car owners & guests) will come together for an informal meeting of friendship and enthusiasm. Our event will again be an easy going and familiar get-together: **looking, shop-talking, exchanging experiences, meeting people, collecting impressions** – that's it. Participants with the longest travel with a veteran car to join in our event, will be awarded. We are also offering a **short veteran car - tour** through the Eastern Holstein landscape.

If somebody wants to offer products (if possible in connection with veteran cars), please make your application in time.

At this opportunity we thank all sponsors & helpers who made our 1st **BJBM** a success. This year again we will need their help and we are counting on their active support.

SAVE THE BIG JAGUAR SALOONS

Saturday 14th of August 2004

in Neustadt / Holstein (Baltic Sea)
2nd BIG JAG BALTIC MEETING

This meeting is dedicated to the preservation of the **JAGUAR BIG SALOONS (Mk 7, 8, 9, 10/420G)**

of which not many are still existing. All Jaguar enthusiasts are welcome with their veteran cars. We have plenty of information that shall increase the general interest in the preservation of the few surviving fine specimen of these elegant big saloons. The same is meant for the **veteran car enthusiasts of other makes**, which we also want to take to our topic:

Save the BIG JAGUAR SALOONS!

They also are welcome by heart.

APPLICATION see annexed application form.

If missing, download from www.big-jags.de or contact organizer: R. Meyer, Bliesdorfer Str. 29, D-23730 Schashagen, Germany
